

Just Right Auto & Marine

252-475-1000
Vessel Valet

Services offered for vessel care:

- Boat Sitter: Bi-monthly or will call. This service includes:
- Visual inspect mooring lines, adjust as needed.
- Inspect bilges for water, oil, fuel, or leaks.
- Verify bilge pump operation, and high water alarm operations.
- Verify shore power operation.
- Verify battery charger operation.

Pre-trip:

- Check critical fluid levels on main engines, transmissions, gensets.
- Start engines, check sea water flow, belt adjustment, charging system, engine temperature at dock.
- Inspect battery connections.
- Inspect shaft seals, and rudder ports for leakage.
- Check steering operation, and fluid levels, controls operation.
- Start genset and verify output.

The above services are offered as a point of time assurance inspection. There are no warranties expressed, or implied. Owners will be notified promptly of any problems, and repairs will be effected at owner's discretion. Licensed, local captains are available for vessel transits, if needed. A completed inspection check list will be left on the vessel, with any findings noted. Customer will be also notified.

The following rates and fees apply to Vessel Valet Boat Sitter:

- \$100.00 per month, or \$60.00 per call, on a will-call basis. Will Calls must be made 72 hours in advance.

Pre-trip:

- \$85.00 per call, call ins must be made 72 hours in advance.

In the event we are unable to contact customer, you may include Secondary Notification contact, and all efforts will be made to contact them.
